1 Endura Hardware™ Collection offers superior corrosion resistance with a 10-year warranty. See written warranty for complete details. 2 Oil-Rubbed Bronze is a living finish that will develop its own unique patina with use. 3 High-altitude Low-E insulating glass does not contain argon gas. 4 Warning: Use caution when children or pets are around open windows and doors. Screens are not designed to retain children or pets. 5 TRANSPARENT SCREEN FABRIC. 6 Available with bottom-up or top-down functionality. 7 Unit dimension refers to frame dimension. Rough opening = Frame + 3/8". Only operable single-unit sizes are noted here. Composite units are available in most categories. Larger and smaller sizes are available on a custom basis for Architect Series products. Carefully review size specifications with your Pella sales professional to choose the best product for your needs.
